Dear Librarian:

I would like for you to advise me after you have examined this Family History Record of the KINGFISHER FAMILY, which is an Eastern Cherokee family, if your library would buy other records of Eastern Cherokee families.

The reason I selected this KINGFISHER FAMILY is because the famous Indian Woman NANCY WARD of Tennessee fame and who ~~was killed~~ saved the white settlers during the Revolution, first married a

KINGFISHER, who was killed at the battle of Talawa Georgia and she took up his rifle and continued firing at the Creek Indians and was given a lot of affectionate names, like "Beloved Woman and Pretty Woman". Only one of these records mention a WARD NAME.

I could compile similar records of most any Eastern Cherokee family. These as you will see show names of PARENTS: GRAND PARENTS ON BOTH SIDES, THEIR ENGLISH NAME AND INDIAN NAME: GREAT GRAND PARENTS: AS WELL AS BROTHERS AND SISTERS: AUNTS AND UNCLES AND GREAT AUNTS AND UNCLES, and much family data. Each case contains a number of the said Eastern Cherokee.

I am also compiling at this time the 1835 Census which was taken of the Cherokee in ALABAMA: NORTH CAROLINA: GEORGIA AND TENNESSEE. Please advise if you want to buy this compilation. All records are at the price of 10¢ per page.

Very truly yours,

Homer A. Walker

Dear Librarian:

I am offering for the first time a complete set of Marriage Records of Washington, D.C. dated 1811 to 1858.

You may expect to find marriages of members of the President's families, vice-presidents, Senators and Congressmen, Members of the President's Cabinet, ambassadors, and in fact of all people connected with the Government.

And if historians or genealogists are searching for Maryland or Virginia marriages, I would suggest they check to see if the marriages were celebrated in Washington, D.C.

There are 14 volumes of these marriages, and as I only have a few sets left, I am now offering them at \$5. per volume or \$70.00 for the entire set.

I have also for sale the DEATH RECORDS OF WASHINGTON, D. C. from 1801 to 1878 in two volumes with complete full name index, priced at \$5. per volume or \$10 for the set.

I also have Illinois pension list of the Revolution-1812 and Indian Wars priced at \$5. which also contains a full name index.

I have abstracts of wills of Baltimore County Maryland of 17 volumes, with full name index, dated about 1777 to 1845, the 17 volumes at \$5 per volume, price for complete set \$85.

I also have for sale; the FAMILY HISTORY RECORDS OF "KINGFISHER FAMILY OF THE CHEROKEE INDIAN NATION. This was the first married name of Nancy Ward, famous indian woman of Tenn. who saved the white settlers during the Revolutionary war. She was first married to "a _____ KINGFISHER and he was killed at the battle of Talawa Ga and she took up his rifle and continued firing at the Creek Indians during that battle and she was ever after given many affectionate names by the Cherokees, like "Beloved Woman and "Pretty Woman". Price of this book \$10.

P.S. Please let me hear from you if interested in these volumes.

Page 12 KINGFISHER NO 705

dated Nov 29 1907, Ochelata, Oklahoma.

To Hon Guion Miller, Washington, D.C. Dear Sir:

Mr. Kingfisher presented your letters to me to day relative to his Eastern Cherokee case, and requesteds me to reply to it. I beg leave to say in reply that when I had the roll I remember of seeing the name somewhere either in Saline District or going Snake District. His father was named Dick Kingfisher, and his mother was named Katie Little Huckleberry ~~xBigxKingx~~ Dick Kingfisher's father was named in English was John Kingfisher, and his cherokee name was Oo n Chaus tee John Kingfisher's wife and the mother of Dick was name Kah le law hee and had no known english name. Dick has one brother yet living and his name is Blackfox Kingfisher. and his Cherokee name is E naw lee. I prepared his case for him in 1901 or 1902. and if he ~~h~~ did not loose the certificate I think it will show just about the same statement that I am now making. Now with reference to Little Huckleberry, in one place the name is spelled Huckleberry and in another place it is spelled Whortleberry but I think it is in separate districts I am not sure as to how it is spelled in Cherokee, but think it is Cah wi ah. or Kah wi y ah, and will be found in Flint District. Now it is possible that the name is in Cherokee and is spelled Kah wi yah - Con stee. This is the indian for Little Huckleberry. If I were with the r.oll I could settle ~~a~~ the difficulty in a very few moments, You will please understand that I am not making this as an affidavit but am simply giving him my memory as I now have it.

Now with reference to his wife's case (Lizzie Kingfisher) her parents were both Eastern Cherokees, her father's name was Joe or Joseph Chu nah wee, or Tsoo hañ we, the name is spelled both ways, and is spelled the latter way in Saline District, Her mother's name was Betsy To sah wol i tah. or Too ser wal li ter, and had no known english name Too sah wal i ter, can be found both in Saline and Going Snake Dist, also I think in Flint, but they are all different families. This is as far as I can go with this case untless I was with the roll to refresh my memory. I remember that the name Ka hu kah is connected with the Huckleberry, and Mr. Kingfisher says it is his grand mother.

Signed John C Duncan,

Relative to your application No 4304 for a share of the money appropriated for the Eastern Cherokee Indians, you state that you were born 1849 in Saline District, Cherokee Nation. Why were you not enrolled 1851, and if you were enrolled under any other name, please state under what name you were enrolled.
